

## Veterinary Surgeon In Small Animal Orthopaedics AniCura Dyresykehus Oslo, Norway

*AniCura is a leader in advanced veterinary care for dogs, cats and other companion animals, with a high level of expertise in combination with modern and advanced medical equipment.*

*AniCura Group was established in 2011 as the first merger of companion animal hospitals in the Nordic region, and today you can find AniCura in ten European countries at 250 clinics and hospitals. In Norway there are 47 AniCura clinics today.*

*The group comprises several of the Nordic region's most renowned companion animal hospitals and veterinary clinics working together to deliver veterinary care of the highest possible quality to pets.*

### ABOUT US

At our modern and well-equipped hospital, you will work with a very dedicated team of fellow veterinarians, vet nurses, assistants and receptionists. We emphasize team spirit as well as professional development for all our employees. Care and compassion for both patients and their owners is also a top priority.

Our referrals are mainly in orthopedics-, and soft tissue surgery, oncology, internal medicine, ophthalmology, cardiology, dentistry and dermatology. AniCura Animal Hospital Oslo is a large and well-run referral hospital, currently employing 9 veterinarians and 16 nurses and assistants. The Hospital has a modern diagnostic imaging department with CT, ultrasound, X-ray, fluoroscopy.

### YOUR PROFILE

The applicant should be a surgeon proficient in most aspects of orthopedic surgeries and as our caseload consists of joint management like arthroscopy, TPLO, CUE, THR and fracture surgery.

The position is 6 months vacant starting medio August 2019 to medio February 2020.

After the vacancy there will be a possibility of a permanent position.

It is a full-time position, and we will be flexible with days off for returning home.

We will help the applicant with housing for the time of the commitment.

Conversation level of English is desired.
