Deliveries

Important information regarding deliveries to and from the congress

Exhibitors are responsible for organizing the shipping of materials prior to and following the conference. The Venue has no possibility to receive any shipments with goods, so all shipments need to be sent to Cityexpo. City Expo will store your material and then, during the night, transport your material to the venue and your booth so it will be in your booth at 6.00AM on September 27th. The cost for this service is depending on how many shipments you will send and size/weight of the shipment. Send an email with this information to kostas@cityexpo.se and we will give send you a quote.

City Expo can receive your exhibition material between September 18th -25th 2019. Make sure that your courier/shipping agent has delivered your material to City Expo before September 26th 2019.

IMPORTANT Contact us if you have shipments from outside EU. Special rules apply with Swedish Customs.

Mark your goods after these instructions.
